Let us help you plan your **presence at the show in the most flexible** manner possible, particularly in these times of Covid-19. We'll show you how:

## THE **opti** 4-STEP PLAN

1

**REGISTRATION**  
You flag up your interest!

Your registration is a sure-fire sign that you're really looking forward to **opti 2021**. **The registration status is a non-binding reservation, and at this stage entails no financial or cost risk for you whatsoever.**

2

**SPACE LAYOUT**  
Fire up your enthusiasm and start making floor plans

The **opti** team analyses all the registrations and clarifies the initial questions. Our aim is to gain a full understanding of your **wishes and requirements** in advance to have an optimal overview of how to start the **actual planning of the halls**.

3

**LOCATION**  
The location of your stand

**Now it's a firm booking**, and you will receive your admission confirmation with your location in September.

4

**DECISION**  
You're on board!

Your booking will become binding for you if we don't hear from you within **14 days of sending** the admission and stand allocation.

### YOUR EXTRA SAFETY NET 14-DAY RIGHT OF WITHDRAWAL

If you still want to reverse your decision, you can cancel your booking up to **14 days** after receipt of the admission and stand allocation **100 % free of charge**. You can find all the details in the conditions of participation in your registration documents.

### And if we have another coronavirus outbreak?

We are posting constant updates on many urgent questions in our [Covid-19 FAQs](#). If we are forced to cancel the trade show on the instructions of the authorities, you will receive a full refund of any stand fees already paid.
